

MAXIMUM STRENGTH

# Ease-Derm Gel Caps with Snip-Tip

For Healthy  
Skin & Coat

Maximum Strength Ease-Derm gel Caps with Snip-Tip are formulated for a concentrated source of Omega-3 fatty acids in free form for enhanced bioavailability.

Recommended to nutritionally support the immune system, joint mobility and healthy skin and coat.

Omega-3 fatty acids help control allergy-related itching by inhibiting the inflammatory substances released from the immune cells. The Omega-3 fatty acids are eicosapentaenoic acid (EPA) and docosahexaenoic acid (DHA), also proven to help brain activity.

**AVAILABLE IN** 60 & 250 counts for large and medium dogs and a 60 count for small dogs and cats.

Packaged in opaque bottles to protect oil from sunlight and oxidation

Easy dosing for cats and dogs

No artificial flavoring or coloring

**UNIQUE SNIP-TIP DESIGN** allows for oral dosing or applying on food by either twisting or snipping the tip off for easy application.

**CHAMPION ALSTOE**
